If you make a Purchase or enter a sweepstakes or other Special Promotion on one of our sites or through our Services, COMPANY will collect your personally identifiable information, and you are deemed to consent to us providing your information to third parties who provide certain services such as processing of credit card transactions, customer service, promotion or sweepstakes administration, order fulfillment and/or prize delivery, as applicable. (As more fully described below in “Use, Disclosure, and Sharing of Information – Personally Identifiable Information”, these third parties are prohibited from using this information for their own marketing purposes and/or from sharing, selling, or otherwise distributing any personal data of our customers, unless you choose to opt in for such additional uses and/or disclosure by the third parties, under their respective privacy policies.). Also, by entering a sweepstakes or other Special Promotion, you are agreeing to the official rules that govern that sweepstakes or other Special Promotion, which may contain specific requirements of you, including, except where prohibited by law, allowing the sponsor(s) of the promotion to use your name, voice or likeness in advertising or marketing associated with the promotion.

Likewise, if you use our software, or provide information to other companies who share information about their customers, we may collect additional information about you. In each of these cases, the COMPANY will apply this policy to any personally identifiable information.

## **VII. Information About Other People**

Some COMPANY Websites and Services may ask you to submit personally identifiable information about other people. A record of that transaction will be maintained as allowed and/or required by law.

## **VIII. Customer Service**

Some Services may offer support and technical assistance through customer service centers via telephone, online chat, or e-mail. Whenever you communicate with customer service, you do so with the understanding that an operator may view and make changes to the information in your User Account in order to provide the assistance that you need.

## **IX. Non-Personally Identifiable Information That We Collect**

## **X. Cookies and Related Technology**

This Website's pages or e-mail messages may contain cookies, web beacons (also known as clear gifs), or similar technologies as they become available. Cookies are information files that this Website may place on your computer to provide extended functionality. The COMPANY may use cookies for a number of purposes, such as tracking usage patterns on the Website, measuring the effectiveness of advertising, limiting multiple responses and registrations, facilitating your ability to navigate the Website and as part of a verification or screening process. Most browsers are initially set up to accept cookies. Most browsers will allow you to erase cookies from your computer hard drive, block acceptance of cookies, or receive a warning before a cookie is stored. You should refer to your browser instructions, "Help" screen, or similar such resource to learn more about how to manage cookies and possibly reset your browser to refuse all cookies or to indicate when a cookie is being sent by indicating this in the preferences, options, or similar such menu in your browser. However, it is possible that some parts of this Website will not operate correctly if you disable cookies and you may not be able to take advantage of some of this Website's features. You should consult with your browser's provider/manufacture if you have any questions regarding disabling cookies.

The COMPANY's web pages may include advertisements for third parties and their products, and those third-party advertisements may include a cookie or web beacon served by the third party. The COMPANY does not control cookies in such third party ads, and visitors are encouraged to check the privacy policies of advertisers and/or ad services to learn about their use of cookies and other technology. The COMPANY's Privacy Policy does not cover the use of information collected from you by third party ad servers. These companies may use information (not including your name, address, e-mail address or telephone number) about your visits to this and other Websites in order to provide advertisements on this site and other sites about goods and services that may be of interest to you.

Web beacons can be very small and invisible to the user, but, in general, any electronic image viewed as part of a web page or e-mail, including HTML based content, can act as a web beacon. The COMPANY may use web beacons to count visitors to the web pages on the Website or to monitor how our users navigate the Website, and the COMPANY may include web beacons in e-mail messages in order to count how many messages sent were actually opened, acted upon or forwarded.
